

This Card Deck will show you how to transfer lines. Click NEXT to get started!

CARD 1 OF 10

If you are transferring lines, you will need a paper transfer pass, your Smartcard or the Transit app. You can transfer vehicles at no cost for up to two hours from the start of your trip.

CARD 2 OF 10

If you paid a cash fare, you will need a paper transfer pass. Ask the Vehicle Operator for a paper transfer at the time of boarding and payment. The expiry time of the paper transfer pass is shown on the back of your ticket. You will swipe your ticket each time you transfer.

If you paid for your fare using the Smartcard or Transit app, your transfer is stored virtually. You will tap your card or scan your QR code each time before you transfer.

Ask the Operator for help if you need assistance getting to your next transfer location. Tell the Operator where you are going.

Keep your paper transfer or Smartcard in a safe place.

When your first COTA ride is complete, you will get off the vehicle and transfer to a new vehicle. See the Card Deck titled, "Planning Your Trip" to plan your trip and figure out where your transfers will be.

CARD 7 OF 10

When you board the next COTA vehicle, swipe your ticket.

CARD 8 OF 10

If you are using a Smartcard or the Transit app, tap the validator on the new vehicle.

Ask a Vehicle Operator for help at any time.
