
COTA and car2go Partner to Provide First and Last Mile Service from Park & Rides

COLUMBUS, OH—The Central Ohio Transit Authority (COTA) and car2go are partnering to provide complementary alternative transportation options to customers in the Linden and Clintonville areas. Beginning Wed., Aug. 26, bus riders and customers of the car sharing service may park car2go vehicles at COTA's Northern Lights Shopping Center Park & Ride in the Linden area and the Delawanda Park & Ride (at Morse & High) in the Clintonville area.

"We're excited to partner with COTA to provide more transportation options for residents that live, work and play in the Clintonville and Linden areas," said car2go Columbus General Manager Chet Ridenour.

Customers are encouraged to ride COTA and use car2go as a first and last mile option. COTA Lines 2, 4, 31 and 95 serve the Delawanda Park & Ride. Lines 1, 9, 27, 35, 37, 83 and 87 serve the Northern Lights Park & Ride.

"Our partnership with car2go is an example of how COTA works to improve mobility options for people in central Ohio," said COTA President/CEO Curtis Stitt. "We're pleased to share space with car2go at these Park & Rides and make alternative transportation options even more accessible to our community."

A few helpful tips to keep you moving:

- Check the schedule of the COTA bus you plan to take.
 - o To plan your COTA trip, visit cota.com and use the "Plan a Trip" function on the homepage. Individual schedules for each line are also available at cota.com/schedules.
- It's easy to ride the bus! Check out cota.com/howtoride for a guide on how to ride the bus.
- Check the car2go app while on the bus to reserve your car once you arrive, or to find the exact parking location to end your trip.
- You may park in any available space, but remember to park two car2go vehicles in each space to open up more parking for other vehicles.

For more information please visit cota.com or contact COTA at (614) 228-1776.
